## Regulations

We have spent 3 years making sure that all the necessary permissions are in place from the FCA. This means that all actions on Pelican are regulated from messaging to trading. This makes us unique.

Why is this important? By using Pelican you have recourse to the relevant UK Authorities (which are the best in the world) should things go wrong. Traders who engage with platforms that only have part or none of their activities regulated in the UK are effectively shooting themselves in the foot

## Risk warning

Pelican Exchange is a trading name of London & Eastern LLP. London & Eastern LLP is authorised and regulated by the Financial Conduct Authority in the UK, ref 534484. Registered address: Springwood Cottage, Summer Lane, Milford, Surrey GU8 5AD

Spread betting and CFD trading are leveraged products and as such carry a high level of risk to your capital which can result in losses greater than your initial deposit. These products may not be suitable for all investors. CFDs are not suitable for pension building and income. Ensure you fully understand all risks involved and seek independent advice if necessary.
